## ***Magma Lifestyle & Fitness Center***

Magma Lifestyle & Fitness Center is one of Jordan's most dynamic and upscale lifestyle and fitness facilities with its top-notch strength training and cardio equipment, professional staff, wide selection of group exercise fitness classes, and on-site juice bar and café, which make it the ideal place for you to unlock the full potential of your mind, body, and spirit.

The four-floor, 1,600m<sup>2</sup> facility is exclusively equipped with state-of-the-art LifeFitness and Gym80 equipment including a Synrgy360 full body circuit training system, an abundance of resistance training machines and free weights, in addition to a variety of internet-enabled cardio machines.

Magma Lifestyle & Fitness Center stands out with having the only rooftop outdoor walking track and rooftop group exercise studios in Jordan, which offer aesthetically pleasing and spirit-calming panoramic views of the city.
