Subject: M.Sc. in Risk Management Program

Greetings from the American University of Madaba (AUM),

We are excited to introduce the American University of Madaba's **M.Sc. in Risk Management Program**, a comprehensive and multidisciplinary program designed to address the increasing complexities of today's business environment. This unique program welcomes candidates from diverse academic and professional backgrounds, aiming to transform how they perceive and manage risks in real-world scenarios across various institutions and organizations. By providing an in-depth understanding of risk management and enhancing decision-making capabilities, the program plays a pivotal role in shaping the next generation of leaders.

The American University of Madaba offers financial incentives for prospective master's students:

- **15% Scholarship** on the Credit Hour tuition fee of 175 JD for graduates with a GPA of "Good" or higher.
- **20% Scholarship** on the Credit Hour tuition fee of 175 JD for employees of private and public institutions when three employees from the same institution enroll.
- **25% Scholarship** on the Credit Hour tuition fee of 175 JD for employees of private and public institutions when more than three employees from the same institution enroll.

Enrollment for the Fall Semester 2024-2025 is open until the mid of October 2024.

We kindly request you circulate this letter to all employees within your esteemed institution or organization.

For further information, please do not hesitate contacting Dr. Yazan Al-Lahham via email: y.lahham@aum.edu.jo or via phone: (05) 329 4444 ext.5429 or Mobile :00962-771000200.

Best Regards,

President

Prof. Mamoun Akroush

Subject: MBA and Business Analytics Program

Greetings from the American University of Madaba (AUM),

We are delighted to introduce the American University of Madaba's **MBA and Business Analytics program**. This program is the only one in Jordan that combines the newest ideas and practices in management and business with the latest technological trends. It aims to develop top business leaders with a strong focus on unique skills, analytical thinking, and strategic decision-making. Our program is designed to accommodate candidates from a variety of academic and professional backgrounds. Our **MBA and Business Analytics program** provides candidates with knowledge and practical skills necessary to integrate business data insights with technology, thus enhancing decision-making processes at all levels within different types of organizations and institutions; nationally, regionally and internationally.

The American University of Madaba offers financial incentives for prospective master's students:

- **15% Scholarship** on the Credit Hour tuition fee of 150 JD for graduates with a GPA of 'Good' and above.
- **20% Scholarship** on the Credit Hour tuition fee of 150 JD for employees of private and/or public institutions when two employees from the same institution enroll.
- **25% Scholarship** on the Credit Hour tuition fee of 150 JD for employees of private and/or public institutions when three or more employees from the same institution enroll.

Enrollment for the Fall Semester 2024-2025 is open until the mid of October 2024.

We kindly request you circulate this letter to all employees within your esteemed organization or institution.

For further information, please do not hesitate contacting Dr. Leen Gammoh via email: l.gammoh@aum.edu.jo or via phone: (05) 329 4444 ext. 5412 or Mobile :00962-771000200.

Best Regards,
