

POLAR'S

Joy in every blend

Presentation

Our Concept

Our concept is about creating an unforgettable experience. Imagine soft ice cream in a range of extraordinary mix and blended flavors that go beyond the usual. Alongside toppings that add extra crunch or sweetness in every bite that becomes a work of art. Not to forget our famous European dessert chimney cones.

Don't miss our coffee delights, where soft ice cream meets coffee in delicious milkshakes.

Step into our cold and warm space, and treat yourself to a journey of flavors and comfort. Polar's your go-to place for pure enjoyment and new experience.

Mission & Vision

Our Mission Is:

We aim to delight individuals with an array of distinct and innovative combinations of soft ice cream and specialty coffee, all within a welcoming environment for everyone to savor.

We aspire to encourage families, friends, and couples to venture into trying new flavors and toppings, creating memorable experiences together.

Our Vision Is:

By crafting unique blends and sips, we aim to transform your taste experiences, one sip at a time. Our goal is to curate a setting where joy intersects with your palate.

Our ambition is to stand out as one of Amman's premier purveyors of blended soft ice cream, constantly innovating with new and enticing flavors.

Core Values

Our core values at Polar's revolve around quality, creativity, and community. We prioritize delivering the best soft ice cream and coffee, while exploring new flavors to excite our customers.

However, we also aim to create a small friendly escape where people can gather, try our premium soft ice cream and connect.

Our future vision

To participate in various events such as open days, weddings, concerts, and more.

Crafting premium ice cream using high-quality ingredients sourced according to our unique recipes.

Supporting the younger generation by offering employment opportunities to university students and fostering the growth of young entrepreneurs.
